

MAY 2023 NEWSLETTER

Please see below details of our last two Forums for this academic year
This newsletter also contains details of our Health and Wellbeing Forum which was held earlier this month.

June Forum

Tuesday 6th June

6pm at the Holiday Inn in Dodworth
Strategic Leadership

led by **Alan Richards**
(Chair HCAT and a National Leader of Governance)

Even established governors can find the understanding of Strategic Leadership a challenge so this session looks at how to support and challenge effectively, the purpose of policy and procedure in effective governance and who makes what decisions. Schemes of Delegation and Risk Management are vitally important in governance and as governors we need to really understand our strategic role so that we can support and challenge our Senior Leaders most effectively.

Programme details and booking can be found here:-

July Forum

Tuesday 4th July

6pm at the Holiday Inn in Dodworth
Communicating with Stakeholders

led by **Alan Richards**
(Chair HCAT and a National Leader of Governance)

Schools and Trusts need to engage with a wide range of stakeholders. Who are those stakeholders? What are there needs? And how do our organisations engage with them? In order to challenge our organisations Governors and Trustees need to understand communication at a strategic level and know how to identify and meet their stakeholders' objectives.

Programme details and booking can be found here:-

All Forum meetings start with a buffet and networking from 6pm until

6.30pm when the presentation(s) begin.

**They are FREE to all governors and trustees
of Barnsley schools and academies.**

Our Forum on **Health and Wellbeing** earlier this month had presentations from both Barnsley Public Health Officers and Lee McClure (HT Springvale Primary School and Primary Chair of the Barnsley Alliance Board)

The presentations from the session can be viewed / downloaded from the links below:
