

Barnsley Governors Association Extraordinary General Meeting

The Barnsley Governors Association's inaugural AGM was held in 2011. Since then, we have held conferences and training sessions for governors, worked with the local authority on research into governance risk and support, and supported individual governing bodies by carrying out peer reviews and specific training. We have also maintained a website, and been a voice for governors on the Schools Forum, Alliance Board and the Children and Young People's Board (formerly TEG)

However, we now have only two directors from an original board of twelve, and are intending to dissolve both the Association and the Limited Company.

We therefore invite you to join us at an Extraordinary General Meeting on **31st March 2025 from 6 pm at the Holiday Inn, Dodworth** to vote on our future. The formal meeting will start at 6.30pm

The only item on the agenda will be:

This EGM resolves to carry out a postal ballot of member governing bodies with the intention of dissolving the BGA and the Limited Company. If the ballot is in favour, dissolution will be organised with immediate effect.

Any assets remaining will be donated to educational charities in line with the BGA's constitution.

We are hoping to be joined by old friends at the meeting on 31st March to enjoy chatting, reminiscing and a last BGA buffet.

Any governors/trustees of Barnsley schools can attend this meeting, but only BGA member schools can vote.

Please RSVP for catering purposes.
